Whether you prefer a face-to-face or a virtual consultation, arranging a meeting with a Himmelfarb Librarian has never been easier. Faculty are welcome to contact our librarians and schedule a consultation in-person or virtually to discuss research projects, or help you plan your fall semester course syllabi. You can visit us at Himmelfarb or we can visit you at your office. Technology also allows us to create a virtual meeting using either Blackboard’s Collaborate or GW WebEx. Contact us and we can set-up either an in-person or virtual consultation!

Quick Resource Guide for Faculty Support Guide

The Faculty Support Guide was created to provide faculty with quick links to resources and contact information in order to help you with your teaching and research needs. We have compiled a list of core resources for faculty to help you minimize frustration when conducting a research project and maximize your time using the resources. Remember to bookmark the link!
