Gallup-Healthways Well-Being Index

GALLUP
NOTES: Current status for each state is based on KCMU tracking and analysis of state executive activity. **MT has passed legislation adopting the expansion; it requires federal waiver approval. *AR, IA, IN, MI, PA and NH have approved Section 1115 waivers. Coverage under the PA waiver went into effect 1/1/15, but it is transitioning coverage to a state plan amendment. WI covers adults up to 100% FPL in Medicaid, but did not adopt the ACA expansion.

Coverage for Medicaid Expansion Population

• Ten essential health benefit categories:
  – ambulatory patient services;
  – emergency services;
  – hospitalization;
  – maternity and newborn care;
  – mental health and substance use disorder services, including behavioral health treatment;
  – prescription drugs;
  – rehabilitative and habilitative services and devices; laboratory services;
  – preventive and wellness services and chronic disease management;
  – pediatric services, including oral and vision care.

• EPSDT for adults under age 21

• FQHC/RHC services

• Non-emergency medical transportation

• Free choice of family planning providers

• Mental health parity applies

• State may supplement EHB package with “traditional” coverage

• Medically frail adults receive traditional Medicaid
