This Newsletter is brought to you for free and open access by the Himmelfarb Health Sciences Library at Health Sciences Research Commons. It has been accepted for inclusion in Himmelfarb Library Liaison Letters by an authorized administrator of Health Sciences Research Commons. For more information, please contact hsrg@gwu.edu.
September 2017

Are you searching for a journal to publish your work? Do you need help measuring your impact? Visit Himmelfarb’s Researcher Services and Support guide to learn how to detect predatory publishers, measure your impact and learn more about author’s rights.

Once your manuscript is published, discover how you can improve the visibility of your work. Do you have an online identity? See how ORCID and ResearchGate can enhance your online professional identity and help promote your scholarly productivity.

Here are additional publishing resources:

- **Himmelfarb: Health Sciences Research Commons faculty and student publications repository** → List of SMHS, SON and GWSPH faculty and student publications and posters.
- **E-Book Collection on Writing** → A list of e-books on writing in the health sciences (e.g. Health sciences literature review made easy: the matrix method)
- **Print Collection** → Checkout our writing and publishing print collection of over 100 books. (e.g. Journal article writing and publication: your guide to mastering clinical health care reporting standards)
- Bibliographic Software → Learn how to use RefWorks to help you cite and format your manuscript for publication. Learn the difference between RefWorks vs Mendeley
- **Copyright Basics** → Comprehensive guide to help you understand and navigate copyright rules/law.
- **NIH Compliance** → Help understanding and managing compliance to the NIH Public Access Policy

Stay tuned in Spring 2018 Himmelfarb will be hosting a faculty workshop series on publishing for faculty.

**Tip of the Month**

What is Active Learning?
Find out how to create a flipped classroom and turn your lecture into an active learning experience. Go to the [Active Learning Resources Guide](#) to find resources and tips to help you engage your students and transform your class to a flipped classroom.
