Do you enjoy painting, sketching or taking photos? Come share your artistic side and participate in Himmelfarb Library's Art Show. Himmelfarb's annual Art Show has been a proud tradition for over 30 years when each spring semester the first floor of the library is transformed into an art gallery displaying the works of our faculty, staff, and students.

We will accept art submissions from March 12th-30th. We invite all to attend our Opening Reception on Thursday, April 5th, beginning at 4:00pm.

§ **Art Show Dates:** All of the artwork will be on display at Himmelfarb from April 5th - April 30th. Please stop by Himmelfarb to view the art show exhibition and support your colleagues' and students' work.

§ **How to Submit:** Submit your art at the library reference desk. Participants can also submit to our Virtual Art Show, and we encourage Distance Education students, faculty, and staff to participate and share their talents. View [past submissions](#) displaying a wide variety of art forms from photography, paintings to jewelry, and more!
