Publication Peer-Review Status:

MedEdPORTAL® (www.mededportal.org) is a free online peer-reviewed publication service provided by the Association of American Medical Colleges (AAMC). MedEdPORTAL® promotes educational collaboration by facilitating the open exchange of peer-reviewed teaching resources such as tutorials, virtual patients, simulation cases, lab guides, videos, podcasts, assessment tools, etc. While MedEdPORTAL's primary audiences include health educators and learners around the globe, it is open and available for free to the general public.

All third-party copyrighted materials and patient privacy issues are addressed during the review process so users can download and utilize any and all of the published resources for educational purposes without legal infringements.
