UNIVERSITY
WASHINGTON, DC

June 2013

We are pleased to announce the Library has over 90 "new" Public Health eBooks we recently added to the Himmelfarb Library collection. The titles cover a variety of topics impacting public health, from global and health inequality issues to health ethics. Are you searching for new eBooks on environmental issues? Users can check out the [Handbook of Environmental Health](#) or [Ecological Biomarkers : Indicators of Ecotoxicological Effects](#). Do you need your students to learn more about epidemiology? They can browse [Epidemiology kept simple : an introduction to traditional and modern epidemiology](#). We have also added eBook titles on research like [When Culture Impacts Health : Global Lessons for Effective Health Research](#), [Guide to the De-Identification of Personal Health Information](#) and [Community-Based Participatory Health Research, Second Edition](#).

- **How to Access eBooks from off-campus:** All our eBooks are accessible from off-campus and users have the option to login either through the [VPN](#) or [ALADIN](#).
- **EBook list:** To view the complete list go [here](#). Below is a sample of new Public Health eBooks titles.
